

ALGHERO AIRPORT
SOGEAAL

General Terms of Sale

Preambles

SOGEAAL S.p.A. manages the sale of online Fast Track, parking services, and marketing at the Alghero Airport.

In this section, you can find the terms of purchase of sale methods, payment methods, security, and general useful information for customers, and companies.

SOGEAAL S.p.A. reserves the indisputable right to modify these conditions at any time. Customers are invited to read them before each purchase.

Purchasing the goods and services

For each purchase, you must fill in the required request forms, including all mandatory information.

Before purchasing a service, it is necessary to read and accept the terms and conditions.

Payments can be made through the online credit card payment portal.

Payments occur concurrently with the conclusion of the order in a protected, secure mode. The privacy of the credit card transmission is guaranteed and cannot be viewed by other users on the network.

No registration is required to complete the purchase procedure.

An e-mail receipt will be sent after the purchase to the address indicated on the request form, with the order and purchase details.

Refunds and replacements

Refunds and/or replacements are not permitted.

VAT and Currency

All prices are expressed in euros and include VAT (where applicable).

SOGEAAL S.p.A. will apply VAT rates according to current regulations at the time of purchase.
